

PATHFINDER LETTER

7th September 2021

Dear Shareholders,

Your company has received many letters and emails requesting information as to its future.

Yes, your company has been through a traumatic time.

To conclude the history of the past, a Class Action has been completed and those shareholders who chose to embrace the action and who were eligible to opt in, have now been paid earlier this year.

The Directors who have been on the Board in a caretaking capacity while the Class Action was completed, have been reviewing opportunities for the future of the company.

During the past four months the company has completed the 2019, 2020 and 2021 financial accounts.

It is the intention of the company to send to shareholders a notice to convene Annual General Meetings in the coming weeks.

These notices will contain many relevant disclosures for the future of your company.

During this restructure the company will put to shareholders an opportunity to invest into the re-structure.

The company will remain in the Medical Industry.
The company will appoint new Directors.
The company will have an exciting future.

This pathfinding correspondence is to give shareholders notice that you will be receiving very important information on the future of your company.

Your company looks forward to working with you on its restructure.

Yours Faithfully,

Directors (QRxPharma Ltd)
